

We have some loose guidelines for patch placement on your vest. This is so we, as a chapter, look somewhat uniform. We wear a black leather vest with the Blue Knight rockers and shield on the back and our chapter patch / agency patch on the front as shown below. They are the only ones we ask that you put in a certain place. Everything else is up to you.

RIGHT FRONT

Your department or agency patch. If you are an Honorary member, you should display the Blue Knights International patch here.

LEFT FRONT

Our chapter patch is sewn on here.
